

It's that time again!

Starting today, *Tuesday, January 17th*, Runnels School will be participating in the *Sneaker Sales* campaign to benefit important research for children at our school and all around the World! We will sell these shoes and place them around the school to show how much we care. Our campaign will end on *Tuesday, January 31st*. We will have a school walk to show our support to this important cause.

Diabetes is a deadly disease affecting over 16 million Americans. Complications include kidney failure, blindness, amputation and even heart attacks. Every 3 minutes someone dies from diabetes...but there is hope!

That hope is research to find a cure - and we are **so** close. Please encourage your child to participate by donating \$1.00 (more is cheerfully accepted) in our fight for a cure!

We're within walking distance of a cure...thank you for joining us!
